Sprigging Bermudagrass

Who's available to sprig bermudagrass in Georgia?

This webpage provides a list of people, farms, or companies that provide sprigs and/or sprigging services. Information herein was provided by the persons listed or their County Extension Agent. If a section is blank, the submission for that section was blank. The listing of these persons or entities on this page does not imply endorsement by UGA Extension, Dr. Hancock, or the University of Georgia. This is merely a listing provided to help those who need sprigs or sprigging services connect with those in their area who can perform that service. If you would like to be added to this list, please call (706-310-3464) or [email](mailto:Cathy.Felton@uga.edu) Cathy Felton in our office from 8 a.m. to 12 p.m.
